Paris Design Week 2023 returns with its array of events, exhibitions and new presentations from French and international brands during a week in January (and again in September). Here, we bring you an essential guide to Maison & Objet, Paris Déco Off and Maison & Objet City. (And stay tuned for info on the next Paris Design Week 2023, 7-16 September).

The best Paris has to offer is on show throughout the city, thanks to two separate initiatives that activate its showrooms, galleries and retail spaces.

Kicking off on 18 January, Paris Déco Off is a city-wide event involving brands specialising in fabrics, wallpapers, trimmings and wall coverings, with more than 100 participating showrooms that range from Farrow & Ball paints to Colony Fabrics.
